

AMENDMENTS TO THE TAX CODE EXPECTED OUTCOMES

EKVITA will organize a seminar, “Amendments to the Tax Code – Expected Outcomes” in which the official representatives from the State Tax Service will attend.

The main purpose of the seminar is to present the changes made to the Tax Code of the Republic of Azerbaijan for the current year and discuss the duties facing entrepreneurs due to the amendments.

Our trainers are Mushfig Aliyev, Partner of EKVITA with about 20 years of experience, and Fariz Yadigarov, Tax Manager of the company with 15 years of experience in the taxation.

Note that the seminar will be held at the JW Absheron Hotel and be free of charge.
